

## **New Director at bat for Beautiful People/Miracle League Baseball**

Warwick, NY—August 1, 2009-- Peter Ladka, founder and President of the Beautiful People Organization, announced the appointment of Jan Brunkhorst as Director. Beautiful People, a non-profit, which began in 2007, is focused on providing adaptive sports for children with disabilities. Their fifth season of baseball is planned this fall, with over 50 participating member families, established as the Orange County chapter of Miracle League.

Brunkhorst will be charged with the furthering awareness of the organization, generating funds to fuel the sports program, and to oversee on and off-season events. She brings experience as a successful entrepreneur, as VP and founder since 1989, of a Warwick-based national market recruitment firm. Previously, as division director for a business solution services company, she focused on sales, marketing and training.

“We are particularly excited about Jan’s talent to create and build. She is a networker who shares our pride for the bounty of resources in Orange County, and is eager to engage them in our goals.” Ladka said. “We look forward to a growing roster so more kids can have more fun!” Ladka added, “Our sincere thanks go to Jacque Rubino for her dedication and commitment for our mission to date, and our best wishes for her continued success.”

The vision of Beautiful People is to build bridges between children with disabilities and their families and the broader community.
