BEAUTIFUL PEOPLE Honor Joe Zaccaro with Vision Volunteer Award

Warwick, NY. Beautiful People, a non-profit sports program organization for children with disabilities, presented Joe Zaccaro, with their charter recognition, the Vision Volunteer Award, at the close of the Field Of Miracles Fundraising party held Friday, October 23rd. Zaccaro is the organization's Fundraising Committee Chair, and also emceed the hugely successful event. Major league baseball legend, Dwight "Doc" Gooden, was on board for a Q & A segment and signed autographs. Auctioneer, author, and baseball historian, Billy Staples, also captured the audience. Players and their families, as well as volunteers' families and friends were present that night to applaud the commitment of Joe Zaccaro, who spearheaded the event. He was thanked for his tireless effort toward the mission of seeing that every child has a chance to play team sports. Joe shares the vision of founder Peter Ladka, for the build-out of a customized, fully accessible, rubberized surface ballpark. Beautiful People sponsors fall and spring seasons of baseball as the Orange County New York Chapter of Miracle League. Many will recall that Joe Zaccaro was also part of the core team of visionaries for the Washingtonville, NY 9/11 Memorial. Learn more about how you can get involved at www.beautiful-people.us or call Director, Jan Brunkhorst, at 845-986-5944.
