DWIGHT “DOC” GOODEN FEATURED AT FUNDRAISING CAMPAIGN LAUNCH TO “BUILD A BALLPARK FOR BEAUTIFUL KIDS”

On Friday, October 23rd, Beautiful People, the Orange County, New York Chapter of Miracle League Baseball will host its first big fundraising event. BP is a non-profit organization that provides adaptive sports programs for children with disabilities. Major Leaguer, Dwight Gooden, former New York Mets and Yankees pitcher will be a guest speaker. Doc’s career statistics include a Win-Loss record of 194-112, and 2,293 strikeouts, and his May 1996 no-hitter remains an exciting memory for fans. Gooden and Billy Staples, bestselling author and baseball historian, are on board for an evening of dinner, music, silent and live auctions, and much more!

The “Field of Miracles Fundraising Party” will be held at Anthony’s Pier 9, from 6 to 10 pm. The ultimate goal of the fundraising is to build-out a customized, rubberized, accessible ball field with dugouts, lighting, restrooms, a concession, and adjacent playground so that Beautiful People can have a home field park. The current baseball program, in spring and fall, is for children ages 5-18 with physical and/or developmental challenges, team up with non-disabled adult/peer “buddy” volunteers who assist as they hit, round bases, and field the ball. This partnership benefits both sides as they share the great American pastime to find common ground and friendships. Long term goals include expanding to other sports, such as soccer, football, and field hockey.
