INVITE A FRIEND! Pre-registration is appreciated.

About Beautiful People

Beautiful People is a non-profit 501(c)3 organization founded in 2006 by Peter Ladka. Our mission is to build bridges between children with disabilities and their families and the broader community of Orange County, NY by providing adaptive sports programs for ages 5 and up. We are proud to be a resource to see that those with special needs have the chance just as their mainstream peers do to socialize, exercise, and enjoy the benefits of team sports. We began our baseball program as the Orange County, NY chapter of Miracle League, one of 220 chapters nationally. All of our players, parents, volunteers and supporters **are** "beautiful people". We are particularly pleased with the success of our volunteer "buddy" model, which enables understanding for the helper and the player being helped to see that basic needs to be respected and accepted are shared by all. Seasons of baseball, soccer, and basketball are enjoyed by nearly 200 players, and their families, and over 100 volunteers support them.
