Payable to Winslow Therapeutic Riding  
Open to first 15 to register.  
Participation form and release  
must be completed

Winslow Therapeutic Center is a non-profit organization accredited by the *Professional Association of Therapeutic Horsemanship International*. Therapeutic horseback riding produces smiles, laughter, friendship, and healing.

We see children and adults every day who improve their physical, cognitive, social, and emotional well-being by learning to ride in our therapeutic environment.

Our well trained and caring staff and volunteers have made it possible for us to offer a unique and often life-changing horseback riding experience to children and adults in our community since 1974.

Our programs are designed to meet the needs of children and adults with physical, mental, or social disabilities, as well as those who wish to learn about horses and riding in a therapeutic environment.
